The Chair welcomes the delegates and visitors and appoints Stan Visser, a Commissioned Pastor within our classis and an elder delegate to this meeting, to keep track of the prayer concerns throughout the day with a view to the closing prayer. Drew Hoekema serves as the Vice-Chair for this meeting.

Art. 3919: Overture #1 from First Rock Valley CRC (Agenda, p. 3) is presented by Matthew Haan. **Motion** to overture Synod 2026 to instruct the COD and the Office of the General Secretary to require ministry staff employed for denominational service related to the CRCNA and its mission to have confessional integrity. This includes but is not limited to all those employed at our denominational agencies: The Banner, Resonate, Thrive, as well as all who populate volunteer boards, must show that they are professing members of a congregation in the CRCNA who fully support and defend the fullness of God’s Word and that the Creeds and Confessions of the CRCNA faithfully reflect Scripture’s revelation.

Grounds:

1. The Office of the General Secretary, denominational boards, and agency leadership exercise significant influence over policy, communication, and direction of the CRCNA. Confessional alignment is therefore essential to strengthening trust and partnership between congregations, classes, and denominational leadership.
2. Denominational funds, contributed by member churches through ministry shares and other offerings, ought to support work carried out by those who are personally committed to the CRCNA's confessional standards and ecclesial life.

--Adopted

Art. 3920: Overture #2 from First Rock Valley CRC (Agenda, p. 3) is presented by Matthew Haan.
Motion to table this overture pending action taken by Synod 2026 on the overture above.

--Adopted

Art. 3921: The Stated Clerk's report in the agenda (p. 2) is noted.

A. The following action is taken with regard to four requests made through the clerk to renew their license to exhort.

1. With the endorsement of the Faith Sioux Center CRC council, **motion** is made to renew the license to exhort for Trevor Mouw and Thomas Soodsma. *--Adopted*

2. With the endorsement of the Inwood CRC council, **motion** is made to renew the license to exhort for Nathan Nieuwendorp. *--Adopted*

B. **Motion** to appoint Rev. Steve Zwart to serve as Alternate Synodical Deputy. *--Adopted*

D. **Motion** to approve the short-term illness guidelines outlined below and commending them to the congregations of our classis.

1. Each local congregation to work with their pastor to provide reasonable coverage for short-term disability as part of their benefits package.

2. During a short-term disability event, congregations are expected to continue regular salary and benefits for up to one year of treatment while serving their congregation.

3. It is the responsibility of the pastor to fully communicate with the council and church about spiritual and financial needs during this time.

4. Churches should seek an interim, seminarian, or other part-time ministry to walk with the church from the time of diagnosis through treatment. This ensures that ministry continues to be carried out in the congregation. This policy might match a recommended sabbatical policy that would occur at a minimum for 6 months for every 6 years of service.

5. Neither pastor nor church should seek separation during this period but should work towards faithfulness and care of one another for a period of no less than one year from diagnosis to the end of the active treatment. *--Adopted*
